IT'S ALL IN THE DETAILS.....

Our crew comes and decorates with the custom look our clients have chosen. We make sure everything is in its place. Immediately after the ceremony and the guests have left, we take all the decorations down and make sure the church is clear of decorations or belongings left behind.

The Reception & Dance Our crew comes in early in the morning and decorates with the look our clients have chosen. We make sure everything is in its place & nothing goes overlooked. If you choose our Platinum Package we also set out all the party favors, napkins, glasses for the sweets table. We set out all of your personal belongings that you want incorporated into your special event. Once the DJ or band calls last dance, we then blow out all candles where people are no longer sitting at & once the final dance is over we immediately take the decorations down as everyone goes on their way.

Our package prices include meetings, prep time, storage of items, transporting of items, actual decorating, on site decorating, tear down, cleaning items, wages, etc.....
